Profile

I am professional, focused on my work, with experience developing websites, designing logos, visit cards, and creating content for training courses as a Instructional Designer. Perfectionist and patiente, I pay close attention to detail. Really good team worker, as well as an effective individual one. I am able to adapt to any function and to work with deadlines. Always trying to do my job the best I can, improving day by day my experience. I learn very quickly and I am very motivated to work.

Experience

Jan 2015 / / Mar 2015	**Waitrose** Warehouse worker	Processing incoming stock and materials, picking and filling orders from stock, packing and shipping orders.
Sep 2013 / / Jan 2015	**Edite Formación** Graphic & Instructional Designer	Making subjects of courses in different formats and didactic material with images and designs of my own using MS Word, PowerPoint, GIMP and Photoshop. Some of my achievements include improvements in design and functionality of the courses in Word format.
Dec 2011 / / Jan 2015	**Freelance** Graphic Designer Website Developer	Designing logos, business cards, publicity posters, websites and different material related to the corporate identity of companies and individuals. In my interviews with clients, I always demonstrated understanding their needs quickly and present to them ideas and sketches that were successful, so I gave the final designs soon, getting recommendations for my effective work.
May 2009 / / Dec 2011	**ATEPROHOGAR SL** Website Developer Graphic & Instructional Designer Data Entry	Developing the company website (www.atepro.com), making audiovisual material for courses as part of a team in collaboration with the teachers, as images, animations and videos, using different software like Photoshop, Illustrator, After Effect and Premiere. Entering and managing data about students, courses and affiliated companies using the administrative software of the company.
Jan 2003 / / Jan 2008	**Internet Cafés** System administrator	Managing and maintaining a network of over 20 computers, customer service, cash handling, management of printers, scanners and other peripherals, cleaning and organization of the business.
