Experience

- Jan 2015 /
/ Mar 2015 **Waitrose** Processing incoming stock and materials, picking and filling orders from stock, packing and shipping orders.
 Picking & packing
- Sep 2013 /
/ Jan 2015 **Edite Formación** Making subjects of courses in different formats and didactic material with images and designs of my own using MS Word, PowerPoint, GIMP and Photoshop.
 Graphic & Instructional Designer Some of my achievements include improvements in design and functionality of the courses in Word format.
- Dec 2011 /
/ Jan 2015 **Freelance** Designing logos, business cards, publicity posters, websites and different material related to the corporate identity of companies and individuals.
 Graphic Designer In my interviews with clients, I always demonstrated understanding their needs quickly and present to them ideas and sketches that were successful, so I gave the final designs soon, getting recommendations for my effective work.
 Website Developer
- May 2009 /
/ Dec 2011 **ATEPROHOGAR SL** Developing the company website (www.atepro.com), making audiovisual material for courses as part of a team in collaboration with the teachers, as images, animations and videos, using different software like Photoshop, Illustrator , After Effects and Premiere.
 Website Developer Entering and managing data about students, courses and affiliated companies using the administrative software of the company.
 Graphic & Instructional Designer
